HISTORY OF YORK UNIVERSITY

York University was founded in March 1959, when its charter was approved by the legislature of the Province of Ontario, and enrolled its first class of 76 students in September 1960.

York was originally established as an affiliate of the University of Toronto, but became independent by mutual consent in October 1965. York University moved from Falconer Hall (on Queen's Park Crescent near the Parliament Buildings) to the Glendon campus in 1961 and each succeeding year has seen a major advance in growth.

In 1962, the Joseph E. Atkinson College first offered degree courses for evening and part-time students. In 1963, the Faculty of Arts and Science introduced its own distinctive program of degree studies and the Faculty of Graduate Studies was established. The University accepted its first postgraduate students in 1964.

The Keele campus, which became the principal seat of the University, was opened at Keele Street and Steeles Avenue in 1965. In the following year, Glendon College was officially opened and the Faculty of Administrative Studies (now the Schulich School of Business) was established at the Keele campus.

In 1967, the Senate enacted legislation to establish a Faculty of Fine Arts. In 1968, the Faculty of Environmental Studies was established and the Osgoode Hall Law School became the Faculty of Law of the University (under the terms of an agreement which had been entered into with the Law Society of Upper Canada in 1965).

A Faculty of Science was created in 1969 by separating biology, chemistry and physics from the Faculty of Arts and Science, which then became the Faculty of Arts.

In 1971, the Senate approved the establishment of the Faculty of Education. In 2000, Joseph E. Atkinson College was renamed the Joseph E. Atkinson Faculty of Liberal and Professional Studies. In 1990, the Faculty of Science was renamed the Faculty of Pure and Applied Science and subsequently, in 2004, became the Faculty of Science and Engineering. In 2006, the Faculty of Health was approved which brought together Nursing, Health Policy and Management, Kinesiology and Health Science, and Psychology. In 2009, York University continued this tradition with the launch of the Faculty of Liberal Arts and Professional Studies, combining the strengths of the Joseph E. Atkinson Faculty of Liberal and Professional Studies and the Faculty of Arts. In 2012, York University's Senate approved the establishment of a new Faculty, named the Lassonde School of Engineering. 2015 marked a transformative moment in one of the University's charter Faculties when the Faculty of Fine Arts was renamed the School of the Arts, Media, Performance and Design.

The non-Faculty colleges appeared annually after 1964: Founders (1965), Vanier (1966), Winters (1967), McLaughlin (1968), Stong (1969), Calumet (1970), Norman Bethune (1971) and New (2009). York University now graduates approximately 10,000 students annually.

HISTOIRE DE L'UNIVERSITÉ YORK

Fondée en mars 1959, date à laquelle le Parlement de l'Ontario a approuvé sa charte, l'Université York a ouvert sa première classe avec soixante-dix-sept étudiants en 1960.

York, qui était au départ affiliée à l'Université de Toronto, a pris son indépendance par consentement mutuel en octobre 1965. Elle a quitté Falconer Hall (Queen's Park Crescent) pour le campus de Glendon en 1961, et a franchi chaque année une nouvelle étape décisive.

En 1962, le Collège Joseph E. Atkinson a offert aux étudiants à temps partiel les premiers cours du soir menant à l'obtention d'un grade. En 1963, la Faculté des arts et des sciences a créé à son tour des programmes d'études sanctionnés par l'octroi d'un grade et la Faculté des études supérieures a été fondée. Les premiers programmes d'études supérieures ont été offerts en 1964.

Devenu depuis le siège principal de l'Université, le campus de York, au croisement de la rue Keele et de l'avenue Steeles, a été inauguré en 1965. L'année suivante a vu l'ouverture officielle du Collège universitaire Glendon et la création de la Faculté d'administration (maintenant l'École Schulich des hautes études commerciales) sur le campus de York.

En 1967, le Sénat a décidé la création de la Faculté des beaux-arts. En 1968, la Faculté des études environnementales a été créée et l'École de droit Osgoode Hall est devenue la Faculté de droit de l'Université (aux termes d'un accord passé avec la Société de droit du Haut Canada en 1965).

En 1969, la Faculté des sciences et des arts s'est scindée en Faculté des sciences, chargée de l'enseignement de la biologie, de la chimie et de la physique, et en Faculté des arts.

En 1971, le Sénat a approuvé la création de la Faculté des sciences de l'éducation. En 2000, le Collège Joseph E. Atkinson a pris le nom de Faculté des études libérales et professionnelles Joseph E. Atkinson. En 1990, la Faculté de sciences a pris le nom de Faculté des sciences pures et appliquées et par la suite, en 2004 devint la Faculté des sciences et de l'ingénierie. La faculté de la santé, approuvée en 2006, regroupe les programmes de soins infirmiers, de politique et administration de la santé, de kinésiologie et sciences de la santé et de psychologie. En 2009, l'Université York a perpétué sa tradition en créant la Faculté des arts libéraux et études professionnelles qui combine les atouts de la Faculté des études libérales et professionnelles Joseph E. Atkinson et de la Faculté des arts. En 2012, le sénat de l'Université York a approuvé l'établissement d'une nouvelle faculté, nommée l'École de génie Lassonde. L'année 2015 marque un moment transformateur dans la charte des facultés de l'Université, puisque la Faculté des beaux-arts a été renommée l'École des arts, des médias, de l'animation et du design.

Enfin, les Collèges qui ne sont pas des Facultés ont fait leur apparition à un rythme annuel après 1964 : Founders (1965), Vanier (1966), Winters (1967), McLaughlin (1968), Stong (1969), Calumet (1970), Norman Bethune (1971) et New (2009). L'Université York décerne des diplômes à environ dix mille étudiants par an.

THE MACE

The mace, which the University Beadle carries, was a gift to York University from the City of Toronto in 1964. Each part of the mace has symbolic significance for the University. Rendered in brass, the end section is set with stones of cullet, bloodstone, agate and amazonite which represent all ethnic sources of Canada. The shoulder has 10 projections representing Canada's provinces. The four arms at the head of the mace represent the paths which lead to the ideals that humans strive to achieve. The arms support an orb whose shape reflects the universe and its truths. The orb is executed in the colours of earth and water: brown, ochre, blue and green.

LA MASSE D'ARMES

La masse que porte le massier de l'université a été offerte en 1964 par la ville de Toronto à l'Université York. Chaque partie de la masse a une signification symbolique pour l'université. La masse est en laiton et sa partie inférieure est sertie de pierres taillées : hématite, agate et amazonite, qui représentent toutes les origines ethniques du Canada. Les dix projections de la partie supérieure représentent les dix provinces du Canada. Les quatre bras, au sommet de la masse, représentent les sentiers de la connaissance et des idéaux que s'efforce de suivre l'humanité. Les bras soutiennent une sphère représentant l'univers et ses vérités. Le globe a les couleurs de la terre et de l'eau : le brun, l'ocre, le bleu et le vert.

THE COAT OF ARMS OF YORK UNIVERSITY

The upper half of the shield contains two lions of the City of York; the lower half contains, on a red background, the white rose of the Royal House of York. The oak sprig in the crest represents the Tree of Learning and recognizes York University's initial affiliation with the University of Toronto. The York University colours are crimson and white.

ARMOIRIES DE L'UNIVERSITÉ YORK

La moitié supérieure de l'écu porte les deux lions de la ville de York; dans la moitié inférieure figure, sur fond rouge, la rose blanche de la Maison royale de York. La branche de chêne du timbre, qui représente l'Arbre de la Connaissance, témoigne de l'affiliation initiale de York à l'Université de Toronto et du ferme soutien qu'elle en a reçu. Les couleurs de l'Université York sont le blanc et l'écarlate.

“A first task of York University will be to use the great traditional subjects to shed light on the problems of today’s world...No one in his right mind would today oppose the need for a high degree of specialization. But to have specialization and nothing else is to possess but half an education...we shall try to break down the barriers of specialization, to give to York University students a sense of the unity of knowledge.”

York’s Founding President Murray Ross, 1960

Since its inception in 1959, York University has become world-renowned for its unique interdisciplinary approach to teaching and research. An education at York University provides an interdisciplinary perspective and a modern approach to the issues facing today’s world. York is where students and faculty from differing disciplines join together to explore problems to the fullest possible extent. The result is a dynamic, all-round perspective that corresponds closely to the world we live in. York graduates are enabled to develop advanced solutions to complex problems and benefit from a unique perspective that is both realistic and optimistic.

More than 55,000 students, including the second-largest graduate student population in the province, pursue full- and part-time studies across York’s 11 Faculties. York has three professional Faculties in business, law and education, plus other professional programs ranging from engineering to nursing, social work to urban planning, in addition to a wide range of programs in the social sciences, the humanities, fine arts, science and environmental studies. Through York’s 11 Faculties and 28 interdisciplinary research centres, we conduct ambitious, innovative research that moves freely across traditional academic boundaries.

Multicultural and diverse, with a range of views and perspectives, York’s student population is among the most eclectic in Canada with over 100 different language groups represented. York’s combined intellectual, social and cultural life translates into an environment in which students can develop a better understanding of our world in order to change it for the better.

York is a place where you are encouraged to build your own unique path to success and achieve groundbreaking success. As a distinguished York graduate, you are joining more than 270,000 York alumni worldwide who “redefine the possible” and help to shape change in Canada and beyond.

As a member of York’s graduating class of 2015, you will carry this hallmark of innovation and excellence. We wish you every success, whatever path you follow.

« La première mission de l’Université York consistera à appliquer les grandes disciplines traditionnelles pour mieux comprendre les problèmes actuels...De nos jours, personne sain d’esprit ne mettrait en doute la nécessité de posséder une spécialisation de haut niveau. Pourtant, avoir une spécialisation et rien d’autre ne revient qu’à posséder une demi éducation...c’est pourquoi nous tenterons d’abolir les barrières de la spécialisation, afin de donner aux étudiants de l’Université York un sentiment d’unification des connaissances. »

Murray Ross, président fondateur de l’Université York, 1960

Depuis sa fondation en 1959, l’Université York s’est faite connaître mondialement pour son approche interdisciplinaire unique en matière d’enseignement et de recherche. Une éducation universitaire fournit une perspective interdisciplinaire et une méthode contemporaine pour analyser les enjeux auxquels est confronté le monde d’aujourd’hui. À l’Université York, étudiants et professeurs de diverses disciplines se regroupent pour explorer à fond les problèmes actuels. Il en résulte une perspective dynamique et exhaustive qui correspond étroitement au monde dans lequel nous vivons. Les diplômés de York sont donc en mesure de trouver des solutions avant-gardistes aux problèmes complexes et bénéficient d’un point de vue unique, à la fois réaliste et optimiste.

Plus de 55 000 étudiants, y compris la deuxième plus importante population d’étudiants de 2e et 3e cycle de la province, étudient à temps plein et à temps partiel dans les 11 facultés de York. York propose trois facultés professionnelles en affaires, droit et éducation, en plus d’autres programmes professionnels allant du génie aux sciences infirmières, travail social et planification urbaine et régionale, ainsi qu’une panoplie de programmes en sciences sociales, humanité, beaux-arts, sciences et études environnementales. Grâce aux 11 facultés et 28 centres de recherche interdisciplinaire de York, nous menons des recherches ambitieuses et innovatrices qui franchissent librement les frontières académiques traditionnelles.

Multiculturelle, diversifiée et riche d’opinions et de perspectives variées, la population étudiante de York est parmi les plus éclectiques du Canada, avec une représentation de cent différents groupes linguistiques. La vie intellectuelle, sociale et culturelle de York favorise un environnement dans lequel les étudiants peuvent acquérir une meilleure compréhension du monde dans lequel nous vivons afin de pouvoir l’améliorer.

York est un endroit où l’on vous encourage à définir votre propre chemin vers la réussite et à remporter un succès sans précédent. En qualité de diplômé de York, vous joignez les rangs de plus de 270 000 anciens étudiants de partout au monde qui “ redéfinissent les limites du possible ” et aident à façonner les changements qui s’opèrent au Canada et ailleurs dans le monde.

En tant que diplômés de la promotion de 2015, vous porterez en vous cette marque d’innovation et d’excellence. Nous vous souhaitons tout le succès possible, quel que soit le chemin que vous empruntez.

Congratulations Class of 2015

Congratulations on your graduation and welcome to York University's alumni community!

As graduates, you are now members of the York University Alumni Association (YUAA), joining a global community of more than 270,000 graduates who enjoy the privileges and perks of alumni membership.

York is truly an interdisciplinary university that looks at life from all angles. Unfettered by convention and traditional expectations, York's innovative approach has forged a vibrant institution and our strength in numbers reflects this passionate approach to education.

As York alumni, you are well prepared to face the opportunities and challenges of an ever-changing world with clarity and vision. This vision is your strength – both as a class and as individuals – and I urge you to keep in touch and be actively involved as a York graduate, not just with the University but with one another, so that you can draw on each other's insights.

Alumni play a vital role in the life of York University. As graduates, the ongoing reputation of the University affects how others value a York degree, and we can each enhance its value by acting as ambassadors for York's education and research activities.

You can stay in contact with your classmates and get all the news about upcoming events and services through our Facebook page, our LinkedIn group, our online newsletter and the Alumni website (yorku.ca/alumni).

You can maintain contacts and make new ones by attending our special events or by volunteering. You can act as a mentor for current students, get involved with a York alumni group in your hometown or country or help York recruit talented students who will become the alumni of the future. You can also act as advisers to the University, suggesting new ideas and offering constructive feedback.

Your achievement is outstanding! You and your fellow graduates are the best ambassadors for York University. Through your involvement with the York University Alumni Association you will continue to demonstrate that York prepares its graduates to redefine the possible.

We wish you every success!

Yours truly,

Randy Williamson (LLB '88)

Chair, York University Alumni Association Board of Directors

Félicitations à la promotion de 2015

Félicitations à l'occasion de l'obtention de votre diplôme et bienvenue dans la communauté des diplômés de l'Université York!

En tant que diplômé, vous êtes maintenant membre de l'Association des diplômés de l'Université York (ADUY); ainsi, vous joignez les rangs d'une communauté mondiale de plus de 270 000 diplômés qui bénéficient de la grande diversité d'avantages et de services qui sont offerts aux anciens étudiants de York.

York est vraiment une université interdisciplinaire qui a une vision sur tous les aspects de la vie. Libre des entraves des conventions et des attentes traditionnelles, l'Université York est devenue, grâce à son approche novatrice, un établissement dynamique. Notre force, exprimée en nombres, reflète cette approche passionnée envers l'éducation.

En tant que diplômé de York, vous êtes bien préparé pour saisir les occasions et relever les défis qui se présenteront, et ce, avec une grande clarté de vision dans un monde en pleine évolution.

Cette vision est votre force, aussi bien collectivement pour l'ensemble de votre promotion que pour les personnes qui la composent. Ainsi, je vous encourage à garder le contact, non seulement avec nous, mais aussi les uns avec les autres, et de participer aux activités offertes aux diplômés de York, afin de tirer profit de l'expérience et des connaissances des uns et des autres.

Les diplômés jouent un rôle vital dans la vie de l'Université York. La réputation continue de celle-ci influe sur la valeur que d'autres attachent à un diplôme de York, et nous pouvons tous rehausser cette valeur en agissant à titre d'ambassadeurs et d'ambassadrices des activités d'éducation et de recherche de York.

Vous pouvez rester en contact avec vos camarades de classe et vous tenir au courant des événements à venir et des services offerts aux diplômés sur notre page Facebook, par notre groupe LinkedIn, dans le bulletin électronique et sur du site web Alumni (yorku.ca/alumni).

En participant à nos activités spéciales ou en offrant vos services en tant que bénévole, vous pourrez non seulement maintenir le contact avec vos relations actuelles, mais vous en faire de nouvelles. Vous pourrez remplir les fonctions de mentors pour des étudiants en cours d'études, participer aux activités d'un groupe de diplômés de York dans votre ville ou dans votre pays, ou aider York à recruter des étudiants talentueux qui deviendront les diplômés de l'avenir. Vous pourrez aussi remplir le rôle de conseiller ou de conseillère pour l'Université en lui suggérant de nouvelles idées et en offrant une rétroaction constructive.

Votre réussite est remarquable! Vous et les autres diplômés êtes les meilleurs ambassadeurs et ambassadrices de l'Université York. Grâce à votre participation aux activités de l'Association des diplômés de l'Université York, vous continuerez à démontrer que York prépare ses diplômés à redéfinir les limites du possible.

Nous vous souhaitons tout le succès possible!

Cordialement.
